Love In Three Quarter Time

About the artist

I am a jazz saxophonist, composer and arranger working primarily with saxophone quartet. I am leader of the 9th Street Sax Quartet and play soprano and alto saxophone in the group. My writing is jazz influenced and relies heavily on the jazz tradition of standards. I take each tune and put my own "twist" on it. I hope you enjoy my music!

Comment: The other day my wife, Darlene, and I were taking a nap together when she noticed I was tapping on her arm. Upon further observation she discovered I was tapping in 3/4 time. She exclaimed "love in three quarter time!". I said "Hey, that would make a great name for a song!", and a composition was born. This song is a lot like Darlene, short, sweet, brief and to the point. Thank you, sweetie, for being my friend, my lover and my wife!
